

Position: Contract Nurse – Medical support service for prostate cancer patients (100% Remote Work)

Are you a bilingual nurse with experience in oncology or male urology, and interested in working remotely between 2 to 14 hours per month? Why not join PROCURE's support service?

Our helpline is dedicated to prostate cancer patients and their loved ones, available 7 days a week across Canada. Due to the growing number of calls, we are looking to expand our team. On-call schedules are flexible and can be adapted based on your availability.

Main Responsibilities:

- Respond to questions from prostate cancer patients and their loved ones with empathy, respect, and professionalism (via phone, email, or chat);
- Provide clear, accurate, and understandable information and explanations about prostate cancer, including treatment options, possible side effects, supportive care, and available resources;
- Accurately document patient records;
- Maintain patient confidentiality in accordance with privacy regulations and policies.

Required Qualifications:

- Registered member of your provincial nursing regulatory body in Canada;
- Experience in male urology and/or oncology;
- Excellent verbal communication skills, with a proven ability to actively listen and explain medical concepts clearly and effectively;
- Bilingual (French/English);
- Empathy, compassion, and sensitivity.

Working Conditions:

- 100% remote work;
- Between 2 and 14 hours per month depending on candidate availability;
- Hourly rate: \$45/hour;
- Daily shifts are 2 hours long and scheduled between 4:00 PM and 8:00 PM.
