

**Position: Contract Nurse, support service for prostate cancer patients (100% Remote Work)**

Are you a bilingual nurse with experience in oncology or male urology, looking to work remotely between 2 to 14 hours per month? Why not join the PROCURE support service team?

Our helpline is available 7 days a week across Canada for prostate cancer patients and their loved ones. Due to an increase in call volume, we are currently seeking professionals to expand our team. On-call schedules are flexible and can be adjusted based on your availability.

**Summary of main tasks:**

- Respond to questions from prostate cancer patients and their immediate families in an empathetic, respectful, and professional manner (via phone, email, chat);
- Provide clear, precise, and understandable information and explanations about prostate cancer, including treatment options, possible side effects, supportive care, and available resources;
- Accurately document patient records;
- Maintain patient confidentiality in accordance with privacy regulations and policies.

**Required skills:**

- Member of the nurses association of your province in Canada;
- Experience in oncology and/or male urology;
- Excellent verbal communication skills, with demonstrated ability to actively listen and explain medical concepts clearly and understandably;
- Bilingualism (French and English);
- Empathy, compassion, and sensitivity.

**Working conditions:**

- 100% remote work;
- Between 2 and 14 hours per month based on candidates' availability;
- Hourly rate: \$45/hour;
- Paid integration and training.
